Open Access Implementation Committee (OAIC)

Terms of Reference

The Open Access Implementation Committee meets quarterly to:

- Oversee all aspects of the implementation of the LU Open Access policy - open teaching, open data, open research outputs, open records, open code, open policies
- Monitor and report on the Lincoln University Open Access Plan.
- Draw LU’s attention to progressive examples of open access elsewhere
- Provide guidance to the University when requested
- Facilitate Lincoln Universities Open Access week
- Recommend capital projects when appropriate
- Endorse/support/showcase initiative and best practice
- Promote Creative Commons licences
